

Kankakee Community College

Flex Start Classes – Spring 2021

There are 4 class types. Learn more at kcc.edu/students/helpful/onlinelearningsupport/

Live Online

- Meet online at regularly scheduled days and times
- Enjoy KCC learning experiences as you interact live with your instructor and classmates in a virtual environment
- Accomplish assignment due dates outside of the class session

Online (On Your Own Time)

- Choose when it is convenient for you to learn without scheduled class times
- Decide when it best suits you to engage in learning activities
- Finish all course work and assignments online by due dates

Hybrid

- Experience the combination of in-person classes and online learning
- Enjoy face-to-face time on campus in small class settings with faculty and students
- Learn online in classes without set times or join scheduled Live Online sessions

In Person

- Attend class on campus during specific times and days
- Interact face-to-face with faculty and students in small class sizes
- Follow social distancing and other established health and safety measure

To register

- Registration is available online and through in-person appointments. Visit <http://www.kcc.edu/register> for details.
- New and returning students can speak with an advisor. Phone 815-802-8500, or email advising@kcc.edu.
- Returning students can schedule an appointment at kccadvising.setmore.com
- General questions can be emailed to advising@kcc.edu.
